

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK**

IN RE SIGNET JEWELERS LIMITED
SECURITIES LITIGATION

Civil Action No. 1:16-cv-06728-CM-SDA

**DECLARATION OF LUIGGY SEGURA IN SUPPORT OF
LEAD PLAINTIFF'S MOTION FOR APPROVAL OF DISTRIBUTION PLAN**

I, LUIGGY SEGURA, hereby declare under penalty of perjury as follows:

1. I am the Senior Director of Securities Class Actions at JND Legal Administration (“JND”). I am over 21 years of age and am not a party to the above-captioned action (the “Action”).¹ I have personal knowledge of the facts set forth in this declaration and, if called as a witness, could and would testify competently thereto.

2. Pursuant to the Court’s April 14, 2020, Order Preliminarily Approving Settlement and Authorizing Dissemination of Notice of Settlement (ECF No. 253) (the “Preliminary Approval Order”), JND was retained by Lead Counsel to serve as the Claims Administrator in connection with the Settlement of the Action. As Claims Administrator, JND has, among other things: (i) mailed the Notice of (I) Pendency of Class Action and Proposed Settlement; (II) Settlement Fairness Hearing; and (III) Motion for an Award of Attorneys’ Fees and Litigation Expenses (the

¹ All terms with initial capitalization not otherwise defined herein shall have the meanings ascribed to them in the Stipulation and Agreement of Settlement dated as of March 16, 2020 (ECF No. 247-1) (the “Stipulation”). The Settlement is contained in the Stipulation.

“Notice”) and the Proof of Claim and Release (the “Claim Form” or “Proof of Claim Form,” and together with the Notice the “Notice Packet”) to potential Class Members, brokers, and other nominees; (ii) created and continues to maintain a toll-free helpline for inquiries during the course of the administration; (iii) created and continues to maintain a website for the Settlement (the “Settlement Website”) and posted case-specific documents on it; (iv) caused the Summary Notice to be published; (v) provided, upon request, additional copies of the Notice Packet to potential Class Members, brokers, and other nominees; and (vi) received and processed each Claim Form received by the Claims Administrator (a “Claim”).

3. On July 21, 2020, the Court granted final approval of the Settlement in its Decision and Order Approving Settlement, Plan of Allocation and the Fee Award (ECF No. 267). JND has completed processing all Claims received through September 27, 2021, in accordance with the terms of the Stipulation and the Court-approved Plan of Allocation set forth in the Notice, and hereby submits its administrative determinations accepting and rejecting the Claims in preparation for a distribution of the Net Settlement Fund to Authorized Claimants. JND also presents this declaration in support of Lead Plaintiff’s Motion for Approval of Distribution Plan.

DISSEMINATION OF NOTICE

4. As more fully described in the Declaration of Luiggy Segura Regarding: (A) Mailing of the Notice and Claim Form; (B) Publication of the Summary Notice; and (C) Report on Requests for Exclusion Received to Date (ECF No. 258-2) (the “Mailing Decl.”) and the Supplemental Declaration of Luiggy Segura Regarding (A) Mailing of the Notice and Claim Form and (B) Report on Requests for Exclusion Received (ECF No. 263) (the “Supp. Mailing Decl.”), as of July 14, 2020, JND had mailed 207,520 Notice Packets to potential Class Members and their nominees. Supp. Mailing Decl. ¶ 2. Since that date, no additional Notice Packets have been

disseminated. In total, JND has disseminated 207,520 Notice Packets to potential Class Members, brokers, and other nominees.

5. JND established and continues to maintain the Settlement Website (www.SignetSecuritiesLitigation.com) and a toll-free telephone helpline (888-964-0513) to assist potential Class Members. The Settlement Website, which provides access to important documents relevant to the Settlement, and the telephone helpline enable Class Members to obtain information about the Settlement. In connection with establishing and maintaining the Settlement Website and toll-free telephone helpline, JND, among other things, formulated a system to ensure that proper responses were provided to all telephone and electronic inquiries. That work included training telephone agents to respond to inquiries specific to the Settlement; developing a series of common questions and the answers thereto, known as Frequently Asked Questions or “FAQs”; loading key documents onto the Settlement Website; and programming the Settlement Website to permit the viewing and downloading of those documents.

6. In accordance with paragraph 5(d) of the Preliminary Approval Order, on May 13, 2020, JND caused the Summary Notice to be published in *The Wall Street Journal* and released via *PR Newswire*. Mailing Decl. ¶ 8.

PROCEDURES FOLLOWED IN PROCESSING CLAIMS

7. Under the terms of the Preliminary Approval Order and as set forth in the Notice, each Class Member who wished to be eligible to receive a distribution from the Net Settlement Fund was required to complete and submit to JND a properly executed Claim Form postmarked no later than August 28, 2020, together with adequate supporting documentation for the transactions and holdings reported in the Claim Form. Through September 27, 2021, JND has received and fully processed 59,635 Claims (the “Presented Claims”).

8. In preparation for receiving and processing Claims, JND: (i) conferred with Lead Counsel to define the guidelines for processing Claims; (ii) created a unique database to store Claim details, images of Claims, and supporting documentation (the “Settlement Database”); (iii) trained staff in the specifics of the Settlement so that Claims would be properly processed; (iv) formulated a system so that telephone and email inquiries would be properly responded to; (v) developed various computer programs and screens for entry of Class Members’ identifying information and their transactional information; and (vi) developed a proprietary “calculation module” that would calculate Recognized Claims pursuant to the Court-approved Plan of Allocation of the Net Settlement Fund stated in the Notice.

9. Class Members seeking to share in the Net Settlement Fund were directed in the Notice to submit their Claims to a post office box address specifically designated for the Settlement. Notice Packets returned by the United States Postal Service as undeliverable were reviewed for updated addresses and, where available, updated addresses were entered into the database and Notice Packets were mailed to the updated addresses. Any correspondence received at the post office box was reviewed and, when necessary, appropriate responses were provided to the senders.

PROCESSING CLAIMS

A. Paper Claims

10. Of the 59,635 Presented Claims, 4,793 are paper Claims. Once received, the paper Claims were opened and prepared for scanning. This process included unfolding documents, removing staples, copying nonconforming-sized documents, and sorting documents. This manual task of preparing the paper Claims is very laborious and time intensive. Once prepared, paper Claims were scanned into the Settlement Database together with all submitted documentation. Subsequently, each Claim was assigned a unique Claim number. Once scanned, the information

from each Claim Form, including the Claimant's name, address, and account number/information from the supporting documentation, and the Claimant's purchase/acquisition transactions, sale transactions, and holdings listed on the Claim Form, was entered into the Settlement Database. Once entered into the Settlement Database, each Claim was reviewed to verify that all required information had been provided. The documentation provided by the Claimant in support of the Claim was reviewed for authenticity and compared to the information provided in the Claim to verify the Claimant's identity and the purchase/acquisition transactions, sale transactions, and holdings listed on the Claim Form.

11. To process the transactions detailed in the Claims, JND utilized internal messages to identify and classify deficiency or ineligibility conditions existing within those Claims. Appropriate messages were assigned to the Claims as they were processed. For example, where a Claim was submitted by a Claimant who did not have any eligible transactions in Signet common stock during the Class Period (e.g., the Claimant purchased Signet common stock only before or after the Class Period), that Claim would receive a "Claim-level" message that denoted ineligibility. Similar Claim-level ineligible messages were used to denote other ineligible conditions, such as duplicate Claims. These messages would indicate to JND that the Claimant was not eligible to receive any payment from the Net Settlement Fund with respect to that Claim unless the deficiency was cured in its entirety. Examples of Claim-level messages are as follows:

- Inadequate Documentation Submitted for Entire Claim
- No Supporting Documentation Submitted for Entire Claim
- No Purchase Transaction in the Class Period

12. Because a Claim may be deficient only in part, but otherwise acceptable, JND utilized messages that were applied only to specific transactions within a Claim. For example, if a Claimant submitted a Claim with supporting documentation for all but one purchase transaction,

that one transaction would receive a “transaction-level” message. The message indicated that although the transaction was deficient, the Claim was otherwise eligible for payment if other transactions in the Claim calculated to a Recognized Claim according to the Court-approved Plan of Allocation. Thus, even if the transaction-level deficiency were never cured, the Claim could still be partially accepted. Examples of transaction-level messages are as follows:

- No Supporting Documentation for Specific Transaction/Position
- Inadequate Documentation for Specific Transaction/Position
- Illegible Documentation for Specific Transaction/Position

B. Electronic Claims

13. Of the 59,635 Presented Claims, 54,842 were submitted electronically (“Electronic Claims”). Electronic Claims are typically submitted by institutional investors (“Electronic Claim Filers” or “E-Claim Filers”) who may have hundreds or thousands of transactions during the Class Period. Rather than provide reams of paper requiring data entry, the E-Claim Filers either mail a computer disc or electronically submit a file to JND so that JND can upload all transactions to the Settlement Database.

14. JND maintains an electronic filing operations team (the “Electronic Filing Team”) to coordinate and supervise the receipt and handling of all Electronic Claims. In this case, the Electronic Filing Team reviewed and analyzed each electronic file to ensure that it was formatted in accordance with JND’s required format and to identify any potential data issues or inconsistencies within the file. If any issues or inconsistencies arose, JND notified the filer. If the electronic file was deemed to be in an acceptable format, it was then loaded into the Settlement Database.

15. Once each electronic file was loaded, the Electronic Claims were coded with messages to denote any deficient or ineligible conditions that existed within them. These messages

are similar to those applied to paper Claims. In lieu of manually applying messages, the Electronic Filing Team performed programmatic reviews on Electronic Claims to identify deficient and ineligible conditions (such as, but not limited to, price out-of-range issues, out-of-balance conditions, transactions outside the Class Period, etc.). The output was thoroughly verified and confirmed as accurate.

16. The review process also included message coding any Electronic Claims that were not accompanied by a signed Claim Form, which serves as a “Master Proof of Claim Form” for all Claims referenced on the electronic file submitted. This process was reviewed by JND’s Electronic Filing Team and, when appropriate, JND contacted the E-Claim Filers whose submissions were missing information. This ensured that only fully completed Claims, submitted by properly authorized representatives of the Claimants, were considered eligible to participate in the Settlement.

17. Finally, at the end of the process, JND performed various targeted reviews of Electronic Claims. Specifically, JND used criteria such as the calculated Recognized Claims and other identified criteria to message code and reach out to a selection of E-Claim Filers and request that various sample purchases, sales, and holdings selected by JND be documented by providing confirmation slips or other transaction-specific supporting documentation. These targeted reviews help to ensure that electronic data supplied by Claimants does not contain inaccurate information.

EXCLUDED PERSONS

18. JND also reviewed all Claims to ensure that they were not submitted by or on behalf of “Excluded Persons” to the extent that the identities of such persons or entities were known to JND through the list of Defendants and other excluded persons and entities set forth in the Stipulation and the Notice and from the Claimants’ certifications on the Claim Forms. JND also

reviewed all Claims against the list of persons who were excluded from the Class pursuant to request.

THE DEFICIENCY PROCESS

A. Paper Claims

19. Approximately 34% of the paper Claims, i.e., 1,607 of the 4,793 paper Claims, were incomplete or had one or more defects or conditions of ineligibility, such as the Claim not being signed, not being properly documented, or indicating no eligible transactions in Signet common stock during the Class Period. The “Deficiency Process,” which primarily involved mailing letters to Claimants and responding to communications from Claimants by email and/or telephone, was intended to assist Claimants in properly completing their otherwise deficient submissions so that they could be eligible to participate in the Settlement.

20. When paper Claims were determined to be defective, a Notice of Deficient/Ineligible Claim Submission (“Deficiency Letter”) was sent to the Claimants describing the defect(s) in the Claims and what steps, if any, were necessary to cure the defect(s) in these Claims. The Deficiency Letter advised Claimants that submission of appropriate information and/or documentary evidence to complete the Claim had to be sent within twenty (20) days from the date of the Deficiency Letter or the Claim would be recommended for rejection to the extent that the deficiency or condition of ineligibility was not cured. The Deficiency Letter also advised Claimants of their right to contest these administrative determinations, and that Claimants were required to submit written statements to JND requesting Court review of their Claims and setting forth the basis for such requests. JND sent a total of 1,607 Deficiency Letters to Claimants who submitted paper Claims that JND determined to be defective. Attached hereto as Exhibit A are examples of two Deficiency Letters.

21. Claimants' responses to Deficiency Letters were scanned into the Settlement Database and associated with the corresponding Claims. The responses were then carefully reviewed and evaluated by JND's team of processors. If a Claimant's response corrected the defect(s) in a Claim, JND manually updated the Settlement Database to reflect the changes in the status of the Claim.

B. Electronic Claims

22. For Electronic Claims, JND used the following process to contact the banks, brokers, nominees, and other E-Claim Filers to confirm receipt of their submissions and to notify the Electronic Claim Filers of any deficiencies or Electronic Claims that were ineligible. Each E-Claim Filer was sent an email to the email address included with the Claim Form(s) (a "Deficiency Email") with an attached report containing detailed information associated with the Claim(s) and indicating which Claim(s) within the filing were deficient and/or rejected ("Deficiency Spreadsheet").

23. The Deficiency Email sent to the email address of record provided with the Claim Form:

- (a) Notified the filer that any Claims with deficiencies not corrected within twenty (20) days from the date of the Deficiency Email may be rejected;
- (b) Advised the filer of the right to contest the rejection of the Claim(s) and request this Court's review of JND's administrative determination within twenty (20) days from the date of the Deficiency Email; and
- (c) Provided instructions for how to submit corrections.

24. The Deficiency Spreadsheet attached to the Deficiency Email identified each of the individual Claims that were found to be deficient or ineligible and the basis for that deficiency or condition of ineligibility.

25. JND emailed a Deficiency Email and Deficiency Spreadsheets to 79 E-Claim Filers. Examples of a Deficiency Email and Deficiency Spreadsheet are attached hereto as Exhibits B and C, respectively.

26. The E-Claim Filers' responses were reviewed by the Electronic Filing Team, scanned and/or loaded into the Settlement Database, and associated with the corresponding Electronic Claims. If a response corrected the defect(s) or affected an Electronic Claim's status, JND manually and/or programmatically updated the database to reflect such change in status of the Electronic Claim.

C. Calling Campaign to Claimants Who Did Not Cure Deficiencies

27. After responses to the Deficiency Letters and Deficiency Emails were received and evaluated, and the Claims updated, JND called Claimants with still-deficient Claims to provide them with a final opportunity to cure the deficiencies in their Claims.

28. During this calling campaign, JND's agents explained to contacted Claimants that their Claims remained deficient, advised Claimants of the steps required to cure the deficiencies, and provided assistance to Claimants where possible, depending on the nature of the deficiency. For example, if a Claimant needed additional supporting documentation, JND explained the types of documentation that would render the Claim eligible and how the Claimant could obtain the necessary documentation. JND also provided some Claimants with direct phone numbers and email addresses so that Claimants could receive continued personalized attention and assistance.

29. If JND could not reach a Claimant to speak one-on-one, JND left a voice message, when possible, requesting a return call. JND explained in the voice message that it was calling to

assist the Claimant in remedying outstanding deficiencies in the Claim. JND also reached out to larger loss Claimants via email if a valid email address was provided in their Claim submission.

30. If, in response to a telephone call or email, a Claimant cured the deficiency in a Claim by providing the appropriate information and/or supporting documentation, JND updated the Settlement Database to reflect the change in the status of the Claim.

NO DISPUTED CLAIMS

31. As noted above, Claimants were advised that they had the right to contest JND's administrative determination of deficiencies or ineligibility within twenty (20) days from the date of notification and that they could request that the dispute be submitted to the Court for review. More specifically, Claimants were advised in the Deficiency Letter and Deficiency Email that, if they disputed JND's determination, they had to provide a statement of reasons indicating the grounds for contesting the determination, along with supporting documentation, and if the dispute concerning the Claim could not otherwise be resolved, Lead Counsel would thereafter present the request for review to the Court for a final determination.

32. JND received five (5) requests for Court review. To resolve these disputes without necessitating the Court's intervention, JND reached out to each Claimant requesting Court review and attempted to answer all questions, fully explain JND's administrative determination of the Claim's status, and facilitate the submission of missing information or documentation where applicable. As a result of these efforts, two (2) Claimants resolved their deficiencies, withdrew their requests for Court review, and their Claims are recommended for approval; and three (3) Claimants understood the reason for JND's determination and are no longer requesting Court review. There are, therefore, no disputed Claims requiring Court review.

LATE BUT OTHERWISE ELIGIBLE CLAIMS

33. Of the 59,635 Presented Claims, 1,278 Claims were received or postmarked after August 28, 2020, the Claim submission deadline established by the Court. JND processed all late Claims received through September 27, 2021, and 837 have been found to be otherwise eligible in whole or in part (the “Late But Otherwise Eligible Claims”). JND has not rejected any Claim received through September 27, 2021, solely based on its late submission, and JND believes no delay has resulted from the provisional acceptance of these Late But Otherwise Eligible Claims. To the extent they are eligible but for the fact that they were late, they are recommended for payment.

34. However, there must be a final cut-off date after which no more Claims will be accepted so that there may be a proportional allocation of the Net Settlement Fund and the distribution may be accomplished. Acceptance of additional Claims or responses received during the finalization of the administration and the preparation of this declaration would necessarily require a delay in the distribution. Accordingly, JND also respectfully requests that this Court order that no Claim received after September 27, 2021, or Claim cured or adjusted after September 27, 2021, be eligible for payment for any reason whatsoever subject only to the provision of paragraph 45(f) of the proposed distribution plan discussed below. If the Court adopts the proposed distribution plan, then, after Lead Counsel has determined that further distributions are not cost-effective and before any contribution of the residual funds to charity, if sufficient funds remain to warrant the processing of Claims received after September 27, 2021, these Claims will be processed and, if any would have been eligible if timely received, these Claimants may be paid their distribution amounts, to the extent permitted by the amount of remaining funds, on a *pro rata* basis that would bring them into parity with other Authorized Claimants who have cashed all their prior distribution checks. *See* ¶ 45(f) below. With respect to previously submitted Claims that are

cured or adjusted after September 27, 2021, such Claims will be reevaluated upon receipt of the adjustment and, to the extent that they are found eligible for a distribution or additional distribution, they will be treated in the same manner as Claims received after September 27, 2021. However, should an adjustment result in a lower Recognized Claim amount, that adjustment will be made and the Recognized Claim amount will be reduced accordingly prior to a distribution to that Claimant.

QUALITY ASSURANCE

35. An integral part of the claims administration process is the Quality Assurance review. Throughout the administration process, JND's Quality Assurance personnel worked to verify that Claims were processed properly by ensuring that information was entered correctly into the database, deficiency and/or rejection message codes were assigned accurately, and deficiency and/or rejection notifications were sent appropriately. After all Claims were processed, deficiency and/or rejection notifications were sent, and Claimants' responses to the deficiency and/or rejection notifications were reviewed and processed, JND's Quality Assurance personnel performed additional Quality Assurance reviews. These final Quality Assurance reviews further ensured the correctness and completeness of all Claims processed prior to preparing this declaration and all JND's final documents in support of distribution of the Net Settlement Fund.

As part of the Quality Assurance reviews, JND:

- (a) Verified that all Claim Forms had signatures of authorized individuals;
- (b) Verified that true duplicate Claims were identified, verified, and rejected;
- (c) Verified that Tax Identification Numbers were provided, when applicable;

- (d) Verified that persons and entities excluded from the Class did not file Claims or their Claims were rejected upon review;
- (e) Performed a final Quality Assurance audit of Claims and all supporting documentation to ensure completeness of Claims;
- (f) Determined that Claimants requiring deficiency and/or rejection notifications were sent such notification;
- (g) Performed an audit of deficient Claims;
- (h) Performed additional review of Claims with high Recognized Claim amounts;
- (i) Audited Claims that were designated invalid;
- (j) Audited Claims with a Recognized Claim amount equal to zero;
- (k) Performed other auditing based on Claims completion requirements and the approved calculation specifications based on the Court-approved Plan of Allocation; and
- (l) Re-tested the accuracy of the Recognized Claim amount calculation program.

36. In support of the work described above, JND's computer staff designed and implemented, and the project team tested, the following programs for this administration: (i) data entry screens that store Claim information, including all transactional data included on each Claim, and attach messages and, where necessary, text to denote conditions existing within the Claim; (ii) programs to load and analyze transactional data submitted electronically for all Electronic Claims; (iii) a program to compare the claimed transaction prices against the reported market prices to confirm that the claimed transactions were within an acceptable range of the reported market

prices; (iv) a calculation program to analyze the transactional data for all Claims, and calculate each Claimant's Recognized Claim based on the Court-approved Plan of Allocation; and (v) programs to generate various reports throughout and at the conclusion of the administration, including lists of all eligible and ineligible Claims.

37. JND also used a variety of fraud protection controls throughout the administration process to identify potential fraudulent Claims. Duplicate Claim searches, high value reviews, spot reviews, and other standard audit reports that examined the information in a variety of ways were used during the Claim review process.

38. As part of its due diligence in processing the Claims, JND reviewed and compared the entire Settlement Database against the “watch list” of known questionable filers that JND has developed throughout its years of experience as a claims administrator. JND has worked closely with law enforcement to update that watch list with the latest information available. JND performs searches based on names, aliases, addresses, and city/zip codes. In addition, JND’s claim processors are trained to identify any potentially inauthentic documentation when processing claims, including claims submitted by Claimants not previously captured in the “watch list.” Processors are instructed to message code any claim that matches to a record on the “watch list” and escalate them to management for review. JND’s Fraud Protection procedures identified fifteen (15) potentially fraudulent Claims that were identified as having been submitted by someone on the “watch list.” These Claims were then reviewed by management to consider the documentation submitted with each Claim in conjunction with other factors, including a review of the Claimant’s website registration, address, and registration with the SEC or asset management organizations, and determined to be potentially fraudulent. JND sent these Claimants Deficiency Letters and/or Status Emails notifying the Claimants that additional documentation was required for the Claim to

be eligible to participate in the Settlement. No additional documentation has been received supporting these Claims and all fifteen (15) Claims are recommended for rejection for failure to cure their conditions of ineligibility.

RECOMMENDATIONS FOR APPROVAL AND REJECTION

39. As noted above, the number of Presented Claims in this motion is 59,635.

A. Timely Submitted and Valid Claims

40. A total of 58,357 Claims were received or postmarked on or before August 28, 2020, the Court-approved Claim submission deadline, of which 38,850 Claims were determined by JND to be eligible to participate in the Settlement and are recommended for approval (“Timely Eligible Claims”). The total Recognized Claim amount for these Timely Eligible Claims is \$1,282,156,126.13.

B. Late But Otherwise Eligible Claims

41. A total of 1,278 Claims were received or postmarked after August 28, 2020, the Court-approved Claim submission deadline, but received on or before September 27, 2021. Of those 1,278 late Claims, 837 were determined by JND to be otherwise eligible and are recommended for approval (“Late But Otherwise Eligible Claims”). The total Recognized Claim amount for these Late But Otherwise Eligible Claims is \$124,949,543.84.

C. Rejected Claims

42. After the responses to Deficiency Letters and Deficiency Emails were processed, a total of 19,948 Claims remain recommended for rejection by the Court (“Rejected Claims”) for the following reasons:

- (a) 11,021 Claims Did Not Result in a Recognized Claim;
- (b) 3,531 Claims Did Not Fit Definition of the Class;
- (c) 5,133 Deficient Claims Never Cured;

- (d) 215 Duplicate Claims; and
- (e) 48 Claims Withdrawn.

D. Lists of All Presented Claims

43. Attached hereto as Exhibits D through F are listings of all the Presented Claims:
- (a) Exhibit D lists the Timely Eligible Claims and shows each Claimant's Recognized Claim;
 - (b) Exhibit E lists the Late But Otherwise Eligible Claims and shows each Claimant's Recognized Claim; and
 - (c) Exhibit F lists the Rejected Claims and the reasons for rejection.

FEES AND DISBURSEMENTS

44. JND agreed to be the Claims Administrator in exchange for payment of its fees and out-of-pocket expenses. Lead Counsel received reports on and invoices for the work JND performed with respect to the provision of notice and administration of the Settlement. Attached hereto as Exhibit G are copies of JND's invoices for its work performed on behalf of the Class as well as an estimate for the work that will be performed and the costs that will be incurred in connection with the initial distribution of the Net Settlement Fund. Should the estimate of fees and expenses to conduct the initial distribution of the Net Settlement Fund exceed the actual cost, the excess will be returned to the Net Settlement Fund and will be available for subsequent distribution to Authorized Claimants. As set forth in these invoices, JND's total fees and expenses for this matter through July 31, 2021, are \$744,089.10. The brokerage firms and nominees charged JND another \$120,707.92 for their work providing names and addresses of potential Class Members and forwarding notices to their clients. JND anticipates that its fees and expenses for the work performed in conjunction with the initial distribution of the Net Settlement Fund will be \$43,758.38. To date JND has been reimbursed in the amount of \$740,651.70. Accordingly, there

is an outstanding balance of \$167,903.70 payable to JND from the Settlement Fund, which includes the estimate for completing the initial distribution.

DISTRIBUTION PLAN FOR THE NET SETTLEMENT FUND

45. Should the Court concur with JND's determinations concerning the provisionally accepted and rejected Claims, including the Late But Otherwise Eligible Claims, JND recommends the following distribution plan (the "Distribution Plan"):

(a) JND will conduct an initial distribution (the "Initial Distribution") of the Net Settlement Fund, after deducting all payments approved by the Court, and after payment of any estimated taxes, the costs of preparing appropriate tax returns, and any escrow fees, while maintaining a 10% reserve to address any tax liability and claims administration-related contingencies that may arise, as follows:

(1) JND will calculate award amounts for all Authorized Claimants as if the entire Net Settlement Fund were to be distributed now. In accordance with the Court-approved Plan of Allocation, JND will calculate each Authorized Claimant's *pro rata* share of the Net Settlement Fund based on the amount of the Authorized Claimant's Recognized Claim in comparison to the total Recognized Claims of all Authorized Claimants. Notice ¶ 70.

(2) JND will, pursuant to the terms of the Plan of Allocation, eliminate from the Initial Distribution any Authorized Claimant whose *pro rata* share calculates to less than \$10.00. *Id.* ¶ 72. These Claimants will not receive any

payment from the Net Settlement Fund and will be so notified by JND.

(3) After eliminating Claimants who would have received less than \$10.00, JND will recalculate the *pro rata* share of the Net Settlement Fund for Authorized Claimants who would have received \$10.00 or more. A “Distribution Amount” will be calculated for each of these Authorized Claimants, which shall be the Authorized Claimant’s Recognized Claim divided by the total Recognized Claims of all Authorized Claimants who would have received \$10.00 or more, multiplied by the total amount in the Net Settlement Fund. *Id.* ¶ 70.

(4) Authorized Claimants whose Distribution Amount calculates to less than \$200.00 will be paid their full Distribution Amount in the Initial Distribution (“Claims Paid in Full”). These Authorized Claimants will receive no additional funds in subsequent distributions.

(5) After deducting the payments to the Claims Paid in Full, 90% of the remaining balance of the Net Settlement Fund will be distributed *pro rata* to Authorized Claimants whose Distribution Amount calculates to \$200.00 or more. The remaining 10% of the Net Settlement Fund will be held in reserve (the “Reserve”) to address any tax liability and

claims administration-related contingencies that may arise following the Initial Distribution. To the extent the Reserve is not depleted, the remainder will be distributed in the “Second Distribution” described in subparagraph (d) below.

- (b) In order to encourage Authorized Claimants to deposit their payments promptly, all distribution checks will bear a notation: “CASH PROMPTLY. VOID AND SUBJECT TO REDISTRIBUTION IF NOT CASHED BY DATE [90 DAYS AFTER ISSUE DATE].” For Authorized Claimants whose checks are returned as undeliverable, JND will endeavor to locate new addresses through reasonable methods. Where a new address is located, JND will update the Settlement Database accordingly and reissue a distribution check to the Authorized Claimant at the new address. In the event a distribution check is lost or damaged or otherwise requires reissuance, JND will issue replacements. Distribution reissues will be undertaken only upon written instructions from the Authorized Claimant, provided that the Authorized Claimant returns the previous check where appropriate. For all checks, JND will void the initial payment prior to reissuing a payment. In order not to delay further distributions to Authorized Claimants who have timely cashed their checks, JND’s outreach program, described in the preceding sentences, shall end 30 days after the initial void date. Authorized Claimants will be informed

that, if they do not cash their Initial Distribution checks within 90 days of the mail date, or they do not cash check reissues within 30 days of the mailing of such reissued check, their check will lapse, their entitlement to recovery will be irrevocably forfeited, and the funds will be reallocated to other Authorized Claimants. Reissue requests for lost or damaged checks will be granted after the void date on the checks as long as the request for the reissue is received no later than 45 days prior to the next planned distribution. Requests for reissued checks in connection with any subsequent distributions (should such distributions occur) will be handled in the same manner.

- (c) Authorized Claimants who do not cash their Initial Distribution checks within the time allotted or on the conditions set forth above will irrevocably forfeit all recovery from the Settlement. The funds allocated to all such stale-dated checks will be available to be redistributed to other Authorized Claimants in the second distribution. Similarly, Authorized Claimants who do not cash their second or subsequent distribution checks, should such distributions occur, within the time allotted or on the conditions set forth above will irrevocably forfeit any further recovery from the Net Settlement Fund.
- (d) Consistent with the Court-approved Plan of Allocation, after JND has made reasonable and diligent efforts to have Authorized

Claimants cash their Initial Distribution checks, which efforts shall consist of the follow-up efforts described above, but not earlier than five (5) months after the Initial Distribution, JND will, after consulting with Lead Counsel, conduct a second distribution of the Net Settlement Fund (the “Second Distribution”). *Id.* ¶ 73. Any amounts remaining in the Net Settlement Fund after the Initial Distribution, including from the Reserve and the funds allocated for all void stale-dated checks, after deducting JND’s unpaid fees and expenses incurred in connection with administering the Settlement, including JND’s estimated costs of the Second Distribution, and after deducting the payment of any estimated taxes, the costs of preparing appropriate tax returns, any escrow fees, and appropriate reserves, will be distributed to all Authorized Claimants in the Initial Distribution who cashed their first distribution check and who would receive at least \$10.00 from such distribution based on their *pro rata* share of the remaining funds. *Id.* Additional distributions, after deduction of costs and expenses as described above and subject to the same conditions, may occur thereafter in six-month intervals until Lead Counsel, in consultation with JND, determines that further distribution is not cost-effective. *See id.*

- (e) At such time as Lead Counsel, in consultation with JND, determines that further distribution of the funds remaining in the Net Settlement Fund is not cost-effective, if sufficient funds remain to warrant the

processing of Claims received after September 27, 2021, those Claims will be processed, and any otherwise valid Claims received after September 27, 2021, as well as any earlier received Claims for which an adjustment was received after September 27, 2021, that resulted in an increased Recognized Claim, will be paid in accordance with subparagraph (f) below. If any funds remain in the Net Settlement Fund after payment of these late or late-adjusted Claims, the remaining balance of the Net Settlement Fund, after payment of any unpaid fees or expenses incurred in connection with administering the Net Settlement Fund and after the payment of any estimated taxes, the costs of preparing appropriate tax returns, and any escrow fees, will be contributed to the National Consumer Law Center (“NCLC”), a non-sectarian, not-for-profit 501(c)(3) organization. *See* Notice ¶ 73.

- (f) No new Claims may be accepted after September 27, 2021, and no further adjustments to Claims received on or before September 27, 2021, that would result in an increased Recognized Claim may be made for any reason after September 27, 2021, subject to the following exception. If Claims are received or modified after September 27, 2021, that would have been eligible for payment or additional payment under the Plan of Allocation if timely received, then, at the time that Lead Counsel, in consultation with JND, determines that an additional distribution is not cost-effective as

provided in subparagraph (e) above, and after payment of any unpaid fees or expenses incurred in connection with administering the Net Settlement Fund and after deducting the payment of any estimated taxes, the costs of preparing appropriate tax returns, and any escrow fees, such Claimants, at the discretion of Lead Counsel and to the extent possible, may be paid the distribution amounts or additional distribution amounts on a *pro rata* basis that would bring them into parity with other Authorized Claimants who have cashed all their prior distribution checks.

- (g) Unless otherwise ordered by the Court, JND may destroy the paper copies of the Claims and all supporting documentation one (1) year after the Initial Distribution, and one (1) year after all funds have been distributed may destroy electronic copies of the same.

CONCLUSION

46. JND respectfully requests that the Court enter an Order approving its administrative determinations accepting and rejecting the Claims submitted herein and approving the proposed Distribution Plan. JND further respectfully submits that its unpaid fees and expenses, as reflected on the invoices attached hereto as Exhibit G, should be approved for payment from the Settlement Fund.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Reason for deficiency/ineligibility (Please see below for explanation):

NO DOCUMENTATION WAS PROVIDED TO SUPPORT THE CLAIM

Explanation of Claim Deficiency/Ineligibility:

NO DOCUMENTATION WAS PROVIDED TO SUPPORT THE CLAIM

You did not provide any documentation for the Claim.

How To Fix:

You can resolve this deficiency by submitting acceptable documentation to support the Claim. Opening holding position, all transactions during the Class Period, and the number of shares held at close of trading on August 22, 2017, must be properly documented.

Specifically, the supporting documentation for each transaction must reflect the purchase (acquisition)/sale date, the number of shares purchased (acquired)/sold, and the price paid/received per share. With respect to the required “holding” positions, the documentation need only support the number of shares held as of the dates set forth in the Claim Form.

Acceptable documentation includes securities broker’s confirmation slips, month- and year-end account statements, or similar documentation. Self-generated documents are not acceptable.

Please note that even if you cure all noted deficiencies, your Claim must then calculate to a Recognized Claim under the Plan of Allocation in order to be included in the list of eligible Claims presented to the Court for approval. If you disagree with the conditions identified in this notice, you may contact us for assistance and/or request Court review of our administrative determination regarding your Claim.

To request Court review, you must send a letter to the Claims Administrator at the address indicated above no later than the response deadline set forth above. Your letter, which must be signed, must:

- (1) specifically state that you “request that the Court review the full or partial rejection of your Claim”;
- (2) state your argument(s) for why you are contesting the full or partial rejection of the Claim; and
- (3) include any and all documentation supporting your argument(s). A copy of this letter must be included with your request for Court review.

PLEASE NOTE: COURT REVIEW SHOULD ONLY BE SOUGHT IF YOU DISAGREE WITH THE CLAIMS ADMINISTRATOR’S DETERMINATION REGARDING YOUR CLAIM. IF YOU REQUEST COURT REVIEW, YOUR CLAIM AND THE SUPPORTING DOCUMENTATION WILL BE SUBMITTED TO THE COURT FOR CONSIDERATION AND WILL BECOME PART OF THE PUBLIC RECORD. ALL PERSONAL INFORMATION PROVIDED ON YOUR CLAIM FORM AND THE SUPPORTING DOCUMENTATION WILL BE REDACTED TO PROTECT YOUR PRIVACY.

If you have any questions about this notice or any noted deficiency, or if you want to confirm the status of your Claim after you submit a response to this notice, please contact us at the telephone number or email address noted above.

Claim Level Deficiency			
Deficiency ID	Deficiency Name	Deficiency Description	How to Fix
xx	CLAIM DOES NOT BALANCE	The Claim as submitted was not a balanced Claim. The beginning holdings plus purchases of Signet common stock does not equal sales plus the number of shares held at close of trading on August 22, 2017. The total number of shares entered in sections 1 and 2 must equal the total number of shares entered in sections 3 and 4 of the Schedule of Transactions in Signet Common Stock.	You can resolve this deficiency by supplying all called-for share amounts in the Schedule of Transactions in Signet common stock, together with the required revised data.
xx	CLAIM SUBMITTED WAS FOR AN INELIGIBLE SECURITY	One or more securities listed in your Claim are not the eligible security. Signet common stock is the only security eligible under the Settlement.	You can only resolve this deficiency by submitting documentation supporting purchases of Signet securities during the Class Period from August 29, 2013, through May 25, 2017, inclusive. Please Note: If you have purchased transactions of Signet common stock during the class period, you must also provide this and all the other information called for in the Claim Form with respect to your holdings of and transactions in Signet common stock.
x	NO PURCHASES CLAIMED IN THE CLASS PERIOD	This Claim does not contain any purchases of Signet common stock during the Class Period, i.e., from August 29, 2013, through May 25, 2017, inclusive.	You can only resolve this deficiency by submitting revised data supporting purchases of Signet common stock during the Class Period.
xxxx	DUPLICATE CLAIM FILED	The Claim referenced is a duplicate and is therefore rejected.	You can only resolve this condition of ineligibility if you can demonstrate that this Claim is not a duplicate of the Primary Claim. You must send an email explaining why you believe this Claim should not be deemed a duplicate along with acceptable documentation to support your position. If you acknowledge that this Claim is a duplicate of the Primary Claim but wish this Claim to be the operative Claim and the Primary Claim to be rejected, a signed, notarized letter from the beneficial owner of the securities stating that this Claim should be considered and that the Primary Claim should be withdrawn must be submitted along with a copy of this notice.

xxx	CLAIM SUBMITTED BY OR ON BEHALF OF AN EXCLUDED PERSON OR ENTITY	The person or entity on whose behalf this Claim was filed is an excluded person or entity under the terms of this Settlement	Excluded from the Class are: (i) Defendants; (ii) the Immediate Family Members of the Individual Defendants; (iii) any person who was an Officer or director of Signet during the Class Period and his or her Immediate Family Members; (iv) any parent, subsidiary, or affiliate of Signet; (v) any firm, trust, corporation, or other entity in which any excluded person or entity has, or had during the Class Period, a controlling interest; and (vi) the legal representatives, agents, affiliates, heirs, successors-in-interest, or assigns of any such excluded person or entity. Notwithstanding the foregoing, any Signet employee retirement, savings, or benefit plan shall not be deemed an affiliate of any Defendant, except that any Claim submitted on behalf of any Signet employee retirement, savings, or benefit plan shall be pro-rated to exclude the proportion owned by Defendants and other specifically excluded persons or entities. Also excluded from the Class are any persons and entities who or which exclude themselves by submitting a request for exclusion that is accepted by the Court. Also excluded from the Class are any persons or entities who or which exclude themselves by submitting a request for exclusion in accordance with the requirements set forth in this Notice. If you believe that the person or entity on whose behalf this Claim was filed was incorrectly identified as an Excluded Person, please contact or call the Claims Administrator.
x	CLAIM DOES NOT CALCULATE TO A RECOGNIZED CLAIM UNDER THE PLAN OF ALLOCATION	In accordance with the Plan of Allocation set forth in the Notice, the Claim referenced does not calculate to a Recognized Claim and is, therefore, ineligible to receive a payment from the Net Settlement Fund.	You can resolve this condition of ineligibility only by submitting additional purchase transactions of Signet common stock during the Class Period, i.e., from August 29, 2013, through May 25, 2017, inclusive, that were not previously reflected in your Claim. You must also support any additional transactions with acceptable documentation. Acceptable documentation includes securities broker's confirmation slips, month- and year-end account statements or similar documentation. Self-generated documents are not acceptable.
xx	MISSING TRANSACTION INFORMATION	The information as entered on your submission did not include all details for the transaction(s).	You can resolve this deficiency by supplying all the called-for transactional information in a revised data file.

Transaction Level Deficiency			
Deficiency ID	Deficiency Name	Deficiency Description	How to Fix
x	TRANSFER IN	The Claim referenced contains one or more transactions that were presented or identified as a gift or transfer into your account (also called a “free receipt”) during the Class Period. The data submitted, however, does not reflect when the shares were purchased.	In order for the Claim to be properly calculated, you must submit revised data that provides information regarding the original purchase/acquisition of the shares in the noted transaction(s) before they were transferred into the account. Specifically, you must submit, with respect to each transaction, revised data that reflects the date on which the shares in each transaction were purchased/acquired.
xxxx	PRICE PER SHARE OUT OF RANGE	The price per share is outside of the normal range for that day and/or the information provided for the transaction is incorrect. Please check dates and data.	Please review your data to confirm the price that you provided is correct. If the data is correct, provide adequate supporting documentation substantiating the price.
xxxx	NET AMOUNT OUT OF RANGE	The price X quantity is outside of the normal range. Please check dates and data.	Please review your data to confirm the net amount of the transaction. If the data is correct, provide adequate supporting documentation substantiating net amount.
xx	INELIGIBLE SECURITY CLAIMED FOR TRANSACTION	One or more securities claimed for the transaction(s) set forth are not an eligible security for this Settlement.	The only security eligible in this Settlement is Signet common stock. If you did not purchase Signet common stock during the Class Period, you are not eligible to participate in the Settlement.
xxxx	TRANSACTION OUTSIDE CLASS PERIOD	The purchase transaction(s) set forth did not occur during the Class Period. Unless a date in the supporting documentation is incorrect, the transaction(s) will not be included in your Claim.	
x	TRANSFER OUT	The Claim referenced contains one or more transactions that were presented or identified as a transfer out of your account (also called a “free delivery”) during the Class Period. The data submitted, however, does not reflect the date and means of final disposition of the shares.	In order to include the shares in the calculation of the Claim, you must submit revised data demonstrating the final sale of those shares subsequent to the transfer out of the account occurred during the period of August 29, 2013, through August 22, 2017, both dates inclusive, or held as of close of trading on August 22, 2017. Specifically, if the shares identified below as a “Transfer Out” were ultimately sold during the period of August 29, 2013, through August 22, 2017, both dates inclusive, you must submit, with respect to each transaction, acceptable supporting documentation that reflects the date of the final sale of the shares. If the shares identified below as a “Transfer Out” were still held as of the close of trading on August 22, 2017, you must submit acceptable supporting documentation showing that you held those shares as of that date.
xxxx	MISSING TRANSACTION INFORMATION	The information as entered on your submission did not include all details for the transaction(s).	You can resolve this deficiency by supplying all called-for transactional information in a revised data file.
